A Special Thank You

Our IMB family has a lot to be thankful for. We wanted to reach out and say 'thanks' to you for supporting us as we grow the number Jesus followers.

New Requests and Prayer Updates

Baptism

One exciting piece of news is that one of our friends from a Hindu background was baptized recently. It has been a joy to see her faith grow and see her take this next step of obedience. She was baptized on a cold Sunday morning in front of many of her unbelieving family members. Over a few weeks beforehand, she sat before the Lord working on her written testimony of how God called her close to Himself. Even in that time, she was able to share with extended family about her desire to identify with Christ. Some of her family members even saw her baptism over our live service stream.

Please pray that her testimony would impact her extended family for the Kingdom. And that her step of obedience would also encourage her immediate family to obey Christ and draw close to God.

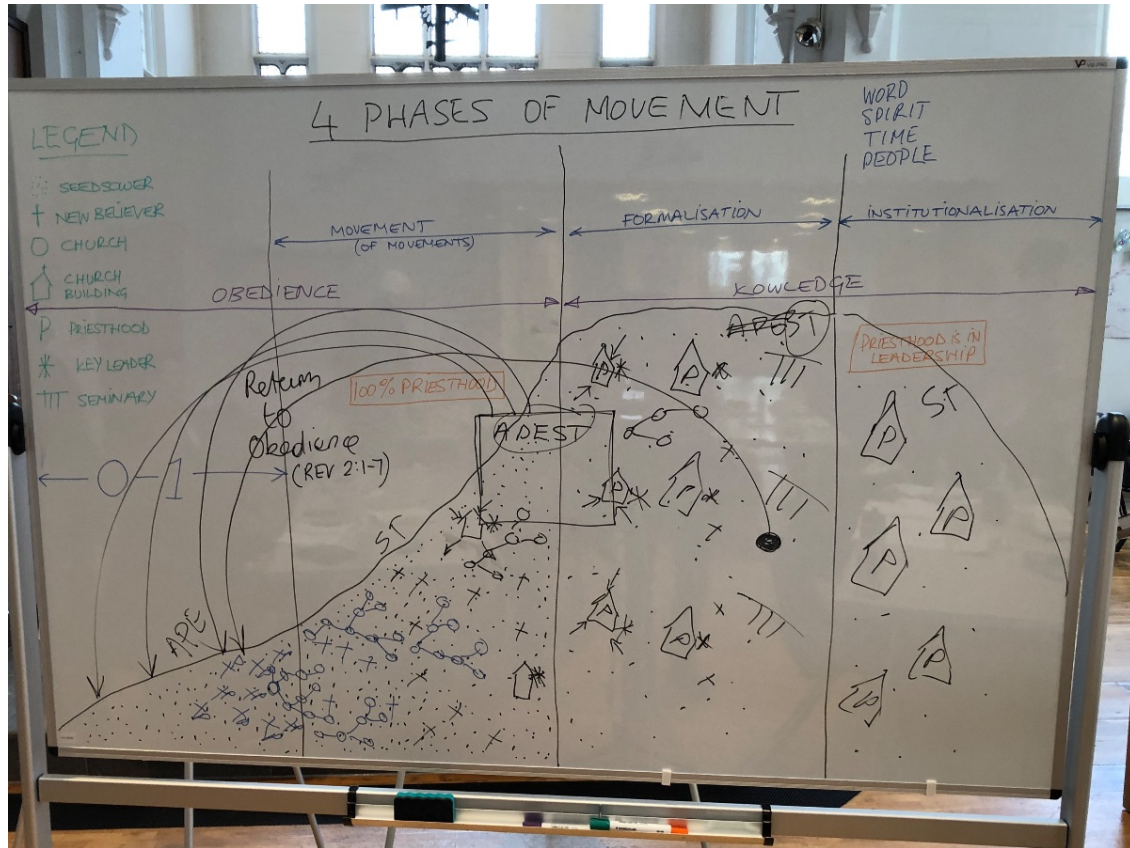

Sheffield Training

Thank you so much for praying for the recent training in Sheffield! We had a wonderful group of men and women who trained and learned so well together over the course of three days. There were pastors and lay people from various cities across England who each came away with some good tools to implement in their ministry work. Some came with others from their fellowships. Some came alone to take the information back to their partners in ministry. We were all challenged to think hard on how to make disciples based on what we saw in the New Testament.

One of the participants in the conference has been faithfully out on the streets of Sheffield for the past 20 years sharing the gospel. He has always been confident in the good news but left the conference with a new passion to not only share the Gospel but make disciples who can make disciples. Please pray

that Oliver will be able to follow the Holy Spirit as he seeks to reach the people of Sheffield.

New Hope -> Multiplying Hope

Cheryl was able to complete the New Hope Bible study series with her group. Thanks for praying. They were able to overcome so many covid related barriers to meet face-to-face and complete the series.

Please pray for the following:

- One of the participants from the first group is

working to start a group among people from a Muslim background. Please pray that this group will come together and find healing in Jesus.

- Cheryl has been asked to give a overview session to a group of Christian ladies in a local South Asian church. Please pray for wisdom and for ready hearts of those who would hear.

Bible Studies - Stop and go

- The oral Discovery Bible study with Steve and Jane has been put on pause. Please pray that they would desire to start again.
- The discipleship with Harvey is starting to grow into a group as other men have been attending our Discovery Bible study time. Please pray that those coming will have a heart to share the gospel and make disciples.

Gospel Seed Sowing

Thank you for praying for the evangelism push in October. All across Europe people made a double effort to get out and sow the seed of the gospel. In our

neck of the woods, we and our local partners were able to connect with 147 people; of which we were able to pray with 61 and have spiritual conversations with 57 people. Out of those conversations, we were able to share the gospel 14 times. We also saw 231 people hear the gospel in group meetings. Out of all the gospel encounters, there were two people who wanted to meet to learn more about Jesus. Praise the Lord with us for those who were able to hear about Jesus. Please pray that God would work in the hearts of those who heard this Good News!

Family

Cheryl and I are so thankful to be blessed by so many wonderful kids who make time to stay connected to us. Each one is so wonderfully unique and their

individual journeys to follow the Lord make our hearts full.

Merry Christmas and Happy New Year from us to you all!
